Call Us For Your Fund Raising Needs

We understand your need for new and creative ways to raise money. Our staff would like to make this process as easy as possible for you and your volunteers. We have a system for you to raise money for your organization without order taking, without product inventory, without product distribution and best of all, without pre-payment.

Here's how the system can work for you... Serendipity Café and Pizzeria will provide you with vouchers good for one Large Cheese Pizza. These vouchers will be sold to you for \$7.50 per voucher. You then sell the vouchers for \$10.00 each, earning an easy \$2.50 for each voucher sold. For example, if you sell 500 vouchers, that leaves you with a quick \$1,250.00 profit for your organization. It's that simple! Since everyone already knows that Serendipity Café and Pizzeria has the best pizza around, how can anyone say no. We're sure we can help to make your next fundraiser a huge success.
