

## About Us

Tropical Tanz is different from most salons. We are a family owned business, and we know all of our customers by name. We have an extremely friendly, helpful staff! Tropical Tanz is so lively with its tropical colors and environment! It is unlike any salon in this area. We have 4 different types of units. A 20 minute standard bed with 1 face tanner, a 15 minute high intensity UVB bed with one face tanner, a 15 minute high intensity UVA bronzing bed with three face tanners, and a 10 minute South Beach stand up! We also have the largest selection of lotion all at marked down prices! Not only do all of our customers love the color they get here, they love that we have a huge selection of jewelry, clothes, purses, sunglasses, and beauty supplies with such low prices! You have to come in and see for yourself. We always have specials going on and have free giveaways. So stop in to our friendly salon where you aren't just a number like you are at other salons. Come take a step into paradise!
