

“Zippy has been visiting his friend Julie for years. We are very happy with the special care and attention given to our hyper 11 year old pup.”

- Betty and Joe Muldoon

“When Julie moved Classic Clips from Norristown to Collegeville we tried several other groomers. Neither we or our dog Buffy were happy, we found it worth the trip to Collegeville.”

- Dutch and Sarah S.

“Julie, who owned and operated A Classic Clip in Norristown, was highly recommended for grooming our baby Shih Tzu, Mindy, seven years ago. We have followed her to her state-of-the-art A Classic Clips Plus in Collegeville. She and Mindy love each other and Julie is *that* skilled and loving. Wherever we go, people ask, “Who grooms your dog?” Mindy is happy, comfortable, clean and looks smart when we pick her up from Julie. Would you believe the service is affordable, too?”
